Tips from a knowledgeable counselor:

- Put toothbrush and toothpaste together in labeled plastic baggie.
- Label EVERYTHING to guarantee it goes home with you.
- Set aside a designated shirt for the dance to insure it will be clean.
- Bring a labeled garbage bag for dirty and possibly wet clothes.
- Kamp provides sunscreen but best to bring some just to be safe.
- Crocs are wonderful camp shoes. They are durable, dry fast, clean easily, and are brightly colored so they won't get lost or mixed up with someone else's shoes as easily.

Do NOT Bring:

Radios, cell phones, iPods, iPads, other devices, or valuables. Also, food or beverages are NOT allowed in the cabins as they attract bugs, mice, and raccoons. If campers bring these types of items, they will be confiscated and stored until the end of Kamp.

Kamp KACE is not responsible for lost or stolen items.
